

CHETAK FOUNDATION, HMSI and VISIONSPRING LAUNCH A ROAD SAFETY CAMPAIGN FOR DRIVERS

THE PARTNERS SET UP AN EYE CHECK-UP CAMP AND PROVIDE FREE SPECTACLES TO TRUCK DRIVERS FOR ENHANCED ROAD SAFETY

Dharuhera, Haryana, January 11, 2023: Chetak Foundation in association with HMSI and VisionSpring launched a road safety campaign by setting up an eye check-up camp and providing free spectacles to drivers to enhance safety on the road.

The initiative is an effort to acknowledge and recognize the hard work and contribution of drivers towards the growth of the logistic sector in India and their role in nation-building. Eye check-up was carried out for more than one hundred drivers who attended the camp and free spectacles were provided to those needing vision correction.

Speaking on the occasion, **Mr. Atsushi Ogata, MD, President & CEO, Honda Motorcycle & Scooter India said**, "This initiative is a step towards ensuring road safety for all road users. We are happy to know that Chetak Foundation has identified this critical area and organized an eye-check up camp for truck drivers, in partnership with VisionSpring. This timely initiative is in line with Honda's global values which strongly focus on road safety. We hope such initiatives inspires more organizations to come forward for such noble cause. Our best wishes to the Chetak Foundation for their social endeavors."

Mr. Sachin Haritash, Director, Chetak Group said, "We are delighted to build upon the shared vision of Chetak Foundation, HMSI and VisionSpring for enhancing road safety by setting up an eye-check up camp for truck drivers. This will help the less privileged get a better vision and thus be better prepared for employment, productivity, and safety. Our father Late Shri J K Sharma created livelihood opportunities for thousands of people and was passionate to help the underprivileged people in the society. We would like to convey our appreciation to **Mr. Atsushi Ogata** and the entire team of HMSI for their determination and support to ensure a better vision for drivers, thereby enhancing their safety and safety on the road,"
