

Press Release

Chetak Logistics Featured in The New York Times!

The New York Times, globally renowned newspaper in its story on Indian Logistics sector's Past and Potential Growth, has featured **Chetak Logistics**, its facilities, processes and employees. The article, authored by Peter S. Goodman and Hari Kumar, delves into our operations, showcasing the dedication of our drivers and the complexities of logistics in India.

It captures the essence of our commitment to safe and efficient transportation despite the challenges on Indian roads.

This international recognition is a significant achievement for us and underscores our continuous efforts to enhance our infrastructure and service quality. We are proud to be acknowledged by such a renowned publication and are grateful for your unwavering support.

We invite you to read the article and celebrate this milestone with us. Your trust in **Chetak Logistics** fuels our drive for excellence.

Thank you for your continued partnership
